TOPIC AREAS

After the successful previous editions (ICAEE 2019 held in the National Library, El Hamma, Algiers and ICAEE 2022 held in Constantine 1 University), the AAGEE "Association Algérienne de Génie Électrique et Électronique", Djillali Liabes University of Sidi-Bel-Abbes in collaboration with an Engineering consortium of research laboratories, the International Conference on Advanced Electrical Engineering ICAEE 2024 will be held from 5th to 7th November, 2024 at the Djillali Liabes University in Sidi-Bel-Abbes, Algeria.

The conference will focus on world-changing technologies like computing, sustainable energy systems, aerospace, communications, and robotics. Specifically, it will emphasize Algeria's key themes of energy, agriculture, and health.

ICAEE is a premier event in Electrical Engineering and provides an ideal forum for obtaining up to date information about the latest developments, exchanging ideas, identifying future trends and making networking with the international Electrical Engineering community. Authors are invited to submit papers in all areas of Electrical Engineering including, but not limited to the following areas:

- » Electrical Machines and Actuators
- » Robotics, Automation and Control
- » Signal, Image and Video Processing
- » Industrial and Electronic Informatics
- » Numerical Modeling and Methods
- » Microwave Circuits and Systems
- » Diagnosis and Non-Destructive Testing
- » Power Components and Power electronics
- » Energy Storage and Management
- » Energy and food security
- » Electromagnetic Compatibility
- » High Voltage Engineering
- » Power Electrical Systems
- » Renewable Energies
- » Plasma and Electrostatics
- » Antennas and Wave propagation
- » Computer Science
- » Materials for Energy
- » Telecommunication systems
- » Citizen health and biomedical

PUBLICATION OF PROCEEDING

Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements

PAPER SUBMISSION

Authors who wish to give a presentation are requested to submit a paper in English (minimum of 04 pages; maximum of 06 pages in IEEE double column format).
